Summary

AIML student with a solid foundation data structures, and programming in Java, C, and JavaScript. Skilled in building scalable, high-performance applications using HTML & Css with a focus on real-time problem-solving and delivering impactful solutions.

Education

2024 — Present	B.Tech in Artificial Intelligence & Machine Learning, Aditya University	CGPA: 8.86
2022 – 2024	Intermediate (MPC), K.S.N Junior College	94.4%

Experience

Technical Training — Technical Hub Pvt. Ltd.

August 2024 – Present

- Completed structured training in C programming, building strong fundamentals in problem-solving and logic development.
- Learned Data Structures and Algorithms (DSA) including arrays, linked lists, stacks, queues, and basic algorithmic techniques.
- Gained knowledge in Java programming covering OOP concepts such as classes, objects, inheritance, and polymorphism.
- Developed frontend skills using HTML, CSS, and JavaScript to design responsive and interactive web pages.

Project

Health Care Appointment Booking And Chatbot System

- Developed a responsive appointment booking web application with an intuitive user interface.
- Implemented form handling and validation using JavaScript to ensure accurate user input.
- Designed clean and user-friendly layouts using HTML and CSS for better user experience.

Technical Skills

Programming Languages : Java, C, HTML, CSS, JavaScript, Python

Tools : Git, GitHub, VS Code, Jupyter Notebook

Specialization : Data Structures & Algorithms

Soft Skills : Communication, Teamwork, Adaptability, Problem-Solving, Time Management

Coding Profiles

LeetCode : Successfully solved 230+ problems, strengthening problem-solving skills

YelisetiSriLalitha

CodeChef : Solved 550+ programming problems; Achieved a max rating of 1074*

fast_camp_71

HackerRank : Earned 5 in Java , Problem Solving, 4 in C and 3 in CPP

@lalithayeliseti1

GeeksforGeeks : Successfully solved 70+ coding problems

lalitha_yeliseti

Certifications

Certifications :Pearson - HTML & CSS; Oracle - Java Foundation; HackerRank - Problem Sloving(Basic Certification) Java(Basic Certification).
